Dear Mr. Casey:

Our company is a manufacturer of radio interference filters. We are based in Garden City, Nassau County, New York and have had difficulty getting on the C.I.A.'s procurement list.

This has been to our mutual disadvantage since it would assist your agency in lowering costs for the item because we offer a very competitive and qualified source. Currently, we sell to the Department of Defense, National Security Agency, NASA, the Bell System, etc. I would appreciate it if you could direct the enclosed catalogs and profile sheet to the appropriate personnel and urge them to consider our products. Thank you kindly.

Very truly yours,
